

# P26 MULTI-PURPOSE DEGREASER

## Aerosol Degreaser

Issue: January 2015

PRODUCT CODE	PACK SIZE	CARTON SIZE
P26MPD0004	400ml	6

### Description

**P26 Multi-Purpose Degreaser** is a professional strength, solvent based degreaser that rapidly dissolves oil, grease, brake dust, silicone and other contaminants. Its non-chlorinated, non-corrosive and non-staining formulation, rapidly breaks down oil, grease and sludge, enabling easy cleaning of surfaces from grease and grime.

### Application

**P26 Multi-Purpose Degreaser** is suitable for the cleaning of oil and grease from surfaces such as engine parts and other surfaces where removal of grease, oil, sludge and grime is required. It is especially suitable for all maintenance and repair work in automotive workshops on engine parts but can also be used for cleaning of machine parts, tools and all types of equipment.

**P26 Multi-Purpose Degreaser** is also suitable for cleaning motorcycle chains, wheel hubs, lawn and gardening equipment, marine, agricultural equipment concrete and even on work clothes to break down oil & grease stains. It can be used on any part that has grease or oil build-up and will not harm plastics or hoses or painted areas.

### Instructions for use:

- Use in a well ventilated area
- Spray on to the parts to be cleaned.
- Allow the grease, oil, dirt to run off or wipe clean.
- If heavily soiled, loosen grime with a wire brush prior to degreasing

### Product Benefits

- Professional strength
- Breaks down grease, oil and sludge with ease
- Fast acting, non corrosive formulation
- Cleans parts without the need for dismantling
- Easy aerosol application
- Free from aromatic or halogenated hydrocarbons

### Typical Data

Colour	Clear
Density at 15°C, kg/L	NA
Flashpoint	-18°C
Auto- Ignition Temperature	>230

Information in this sheet is based on recent production. Minor variations to typical properties are expected in normal manufacture and do not affect product performance. An MSDS is available on request.
