

HPSO

Full Synthetic Power Steering Fluid

Issue: April 2015

Product Code:	Pack Size:	Carton Qty:
HPSO001	1 Litre	6

Product Description

Penrite HPSO is a premium fully synthetic oil specially designed for use in power steering and suspension units. It contains a unique combination of **anti-shudder** additives, dispersants and seal swell additives along with a specialised synthetic base oil to offer maximum wear protection, long service life and minimisation of viscosity loss.

Application

HPSO is primarily designed and recommended for use in the power steering units of all Honda motor vehicles as well as Rover models 416i, 825 and 827 that use Honda power steering components.

HPSO may also be used in high performance applications in other vehicles such as Ford Tickford series, AU, BA & BF XR, FPV & Territory SX-SY series vehicles. The synthetic base oils and higher viscosity help to reduce pump wear and maintain steering feel where extra heat and load is expected in these applications.

HPSO is also suitable for use in motorcycle forks where a SAE Grade 20 oil is specified by the manufacturer.

Penrite also market Power Steering Fluid, LHM Plus, PAS Fluid, MB 15, and LDAS special power steering and suspension fluids. Please check your handbook or call Penrite to clarify any applications for these products.

Product Benefits

- Correct viscosity for Honda Power Steering units.
- Compatible with OEM fluid.
- Reduces power steering shudder (noise & chatter).
- Extends seal and hose life.
- Multiple use power steering & suspension
- Long Service life
- Protects against rust and corrosion.
- Reduces leakages.

Honda PSF-V

** in performance models*

Honda PSF-II
Ford M2C-134D*

Honda PSF-S

Typical Data

Colour	Straw
Density at 15°C, kg/L	0.871
Viscosity, Kinematic, cSt	
at 40°C	72
at 100°C	11.7
Viscosity Index	158
Zinc, mass %	0.139

Information in this sheet is based on recent production. Minor variations to typical properties are expected in normal manufacture and do not affect product performance. A MSDS is available on request.
